

Glen Elm Church of Christ is seeking a full-time position to work alongside our leadership team. Glen Elm Church has existed for 110 years in Regina, Saskatchewan- 30 years in our current location. Though not exceptionally large (average Sunday attendance is 100), we are comprised of a blend of young families, young adults, empty nesters, and seniors. Glen Elm is committed to seeking Christ and sharing Christ while serving the community. We are seeking to grow in our connections with one another and desire to be a community that blesses each other as we do life together; we don't want to merely "do church" but to "be church" as we engage in serving our larger community.
