2. Those who are certain they are not returning in the Fall (see Note below)

Please come to the Mailroom during Exam Week to return your key

Note: You do NOT need to hand it in now if you are just planning to take a semester or year off in between resuming studies. However, I'd appreciate knowing that!

PROV COMMUNITY NOTES

Rat River Safety

As the weather begins to warm up, please stay off the ice on the Rat River. The ice is beginning to melt and very soon it won't be safe to walk on.

Student Counselling

Providence would like to offer you an opportunity for a free confidential assessment by an Intake Counsellor, also the possibility of free counselling with a Counselling Intern from the seminary, or Financial Aid for counselling with a graduate Counsellor. Please contact Angelle Arinobu at counselling@prov.ca to book an assessment.

Let's Be "Scent-sitive"

The chemicals used in scented products can make some people sick, especially those with fragrance sensitivities, asthma, allergies, and other medical conditions. Please help us create a healthier environment by choosing to use scent-free products.

Highway Danger

All students, staff, and faculty are advised to be extra careful when walking or running on the highway. Tips: Wear bright, light-reflective clothing; keep to the side of the road, facing oncoming traffic; walk/run in single file when vehicles approach.

No Idling Zones

Please do not leave motor vehicles running near dorm entrances. Poisonous exhaust fumes tend to waft through doors and windows. Thanks from your Workplace Safety & Health Committee!

*If you are interested in having any announcements published in the Providence Weekly, please submit **pre-written ads** by email to sarah.lageer@prov.ca by 4pm on the Friday before.*
