"Then I heard what sounded like a great multitude, like the roar of rushing waters and like loud peals of thunder, shouting: 'Hallelujah! For our Lord God Almighty reigns. Let us rejoice and be glad and give him glory! For the wedding of the Lamb has come, and his bride has made herself ready. Fine linen, bright and clean, was given her to wear.'"

Note from the Library

Please remember to return all Providence Library books before graduation or leaving for the summer. You will need to pay any fines owing at the Library or Business Office. If you are graduating, your library account needs to be clear in order to receive your parchment.

Mailroom Notice

Please check and empty your student mailbox before leaving for the summer. Also, for those to whom it applies, please return your mailbox key BEFORE graduation weekend so I don't have to track it down later.

- Yvonne Hill

Who Should Return Their Mailbox Key?

1. Those who are graduating and not returning to take further studies
2. Those who are certain they are not returning in the Fall (see Note below)

Please come to the Mailroom during Exam Week to return your key

Note: You do NOT need to hand it in now if you are just planning to take a semester or year off in between resuming studies. However, I'd appreciate knowing that!

NEWS & NOTES

Rat River Safety

As the weather begins to warm up, please stay off the ice on the Rat River. The ice is beginning to melt and very soon it won't be safe to walk on.

Let's Be "Scent-sitive"

The chemicals used in scented products can make some people sick, especially those with fragrance sensitivities, asthma, allergies, and other medical conditions. Please help us create a healthier environment by choosing to use scent-free products.

Highway Danger

All students, staff, and faculty are advised to be extra careful when walking or running on the highway. Tips: Wear bright, light-reflective clothing; keep to the side of the road, facing oncoming traffic; walk/run in single file when vehicles approach.

No Idling Zones

Please do not leave motor vehicles running near dorm entrances. Poisonous exhaust fumes tend to waft through doors and windows. Thanks from your Workplace Safety & Health Committee!

*If you are interested in having any announcements published in the Providence Weekly, please submit **pre-written ads** by email to sarah.lageer@prov.ca by 4pm on the Friday before.*
