## Current Job Opportunities as of June 11, 2020

Gateway Resources provides services and support for individuals living with an intellectual disability in the Winkler/Morden area. We support over individuals in 18 community residences, provide Respite services and have a growing Support Independent Living Program. In addition, we have an active day program plus recycling and wood room opportunities for our participants.

We are growing again and have the following opportunities available. For our residential positions, our schedules work on a two week rotating schedule and most include every other weekend. All Direct Support Professionals work with supported individuals providing assistance and/or working alongside them to promote independence and choice.

### **Direct Support Professional-Residential Direct Support Professional**

- (Winkler) Part time positions – ranging from 16 hours biweekly (every other weekend) to 41 hours biweekly
- (Morden) Full time position – 63 hours biweekly

### **Direct Support Professional-Recycling Direct Support Professional**

- Full time position, Monday to Friday, 8:30 a.m. to 4:30 p.m. (Winkler)

### Qualifications for Direct Support Professionals:

- Minimum grade 10 education. A combination of education and experience will be considered.
- Have a genuine interest in working with adults living with an intellectual disability. This includes fostering independence and choices whenever possible.
- Previous experience working in social services is an asset.
- Must be able to provide a current Criminal Record Check and complete an Adult Abuse Registry Check without concerns to the work environment
- Demonstrated team collaborative skills
- Valid Class 5 Manitoba Driver's License and use of own vehicle.
- Must have current CPR/First Aid or be able to obtain it within 1 month of starting employment. Gateway will pay for the initial training.
- Additional experience as a Health Care Aide and/or training in Non Violent Crisis Intervention is an asset
- Good English written and oral communication skills. Fluency in additional languages is an asset.
