

TREE PLANTING 2025

Waypoint Resources is a Christian based tree planting company in BC, operating for 25 years. We are now accepting applications and inquiries for the few remaining positions as tree planters for the upcoming 2025 season. If you are healthy, have a good work ethic, and are motivated by piece work. This may be the right summer Job for you! In years past the average tree planter in a regular 50–60-day season made \$18,000. If interested in pursuing more information and to talk with one of our representatives.
