

Caregiver - HCA

At Silver Lining Care, we are family, bringing hope life and joy to our clients. In this position, your primary focus will be to provide care to promote the client's ability to live on their terms and enjoy their quality of life.

Responsibilities:

- Assist in activities of daily living including personal care
- Light housekeeping & dietary care
- Administer medications
- Documentation and reporting
- Companionship providing hope, life and joy
- Available to work a combination of days / evenings

Qualifications:

- Health Care Aide Certificate
- Good Communication skills
- Compassionate heart to serve others
- Physical ability to assist with all aspects of client care and transfers

Silver Lining Care offers competitive wages along with an excellent group benefits package. If you are looking for an opportunity to be part of a team serving others, building compassionate relationships with clients and families, we would love to hear from you! To learn more about this opportunity and how we work, apply online at www.silverliningcare.ca.

We thank all candidates for their interest, however, only those under further consideration will be contacted.
