

## SELKIRK COMMUNITY CHURCH

Selkirk Community Church is currently searching for a Lead Pastor who believes in the authority of the Word of God and is passionate about our mission of serving our community. SCC has been in a season of significant growth over the past four years, since we completed the new facility, which was specifically designed to serve the general community. We currently have a multi-generational congregation of approximately 150 people. We place a strong emphasis on community engagement, with a church location/ property that facilitates further growth. Our multi-functional facility (as seen on our website) is being used as a vehicle for the gospel, host between 700 – 1000 people weekly through various community-lead groups. The church is volunteer driven with committed members who desire to serve and love our community and who are looking for a pastor to partner with them in this process. The successful candidate will work alongside multiple teams of volunteers, church board members and our current pastor.

### **Skills / Experience and Qualifications:**

A potential candidate should be a strong communicator (verbal and written), outgoing, self-aware and motivated. The candidate must be community-minded and demonstrate a desire to engage with community members throughout the week. SCC is looking for a candidate who is called and gifted to do the work of a pastor. This will include preaching, teaching, equipping/mentoring, discipleship, visitation, and oversight of worship gatherings. This position will be filled by a prayerful individual who holds to sound Biblical doctrine. Significant related experience and/or training will be required.

Resumes can be forwarded to Ron at: [ronrue456@gmail.com](mailto:ronrue456@gmail.com).
