**CHURCH AND PASTOR PROFILE**

**Who We Are**

Home Church Langley ([www.homechurch.ca](http://www.homechurch.ca)) is a Gospel-centered, Christ-exalting, grace-filled community of 140 people. We are a warmly Reformed church – Calvinistic, Covenantal and Confessional – and a founding member of the Reformation Canada Network ([www.reformationcanada.ca](http://www.reformationcanada.ca)). We seek to present these rich truths in an accessible way that is clearly drawn from and rooted in the infallible Word of God.

**Our Mission**

By God's grace, to restore prodigals through the Gospel and lead them to maturity in Christ.

**Our Vision**

Be Seen (through Christ's eyes) ... Be Loved (with Christ's love) ... Belong (to Christ's Body)

**Our Environment**

- since 2002, we have rented a public school gymnasium which we have outfitted with a mobile audio-visual console, a modern fixed projector and spotlights;
- we are situated in an ethnically diverse, rapidly growing neighborhood. That ethnic diversity is clearly reflected in the congregation and all age groups are represented;
- British Columbia is the most beautiful and temperate province in Canada.
