POSITION: Quarter Time Pastor  
DURATION: Permanent  
LOCATION: Winnipeg, Manitoba  
SALARY: Commensurate with experience

At Exchange Community Church, our diverse community seeks to embody the love of Jesus by welcoming anyone into deepening their relationships with the living Creator and created life.

We open our doors to individuals in search of spiritual growth and present the opportunity to participate in the church community in ways that fit the individual, their capacity and interests.

We aim to deliver weekly services by a varied group of participants, each with unique perspectives and life experiences, while drawing strong ties to biblical principles.

Our community seeks to give voice to the prophetic imagination of the arts community, to transform our hearts and minds with the historical context of the gospel, and move forward into our community finding common ground and connection with people where they are at.

By honoring our guiding values posed as “tensions”, our community is empowered to engage with its ever-changing surroundings. Located on the 5th floor of an historic building in the heart of the city of Winnipeg, we strive to build relationships and serve our surrounding community by allocating three floors of the building to over 20 affordable studio spaces for local artists.
