

## Wood Mountain Alliance Church is seeking a Lead Pastor

The Board of Elders is looking for a pastor that will invest in our church and in our community. On July 31, 2024 our pastor of 16 years resigned. He was the third pastor in the 40 years since the church's inception. Currently, our church services are being organized and led by the elders with participation from attendees.

'Full in our sparseness,' our congregation consists mostly of ranchers, farmers and their families whose daily work acknowledges the hand of God. We are an intergenerational church with a current average Sunday service attendance of 30-50 people. The church meets in the community hall in winter and uses a seasonal building in the Wood Mountain Regional Park in summer. What the church lacks in material possessions we make up for in character, strength and work ethic.

The WMAC is in south central Saskatchewan, a region full-up of storied small towns and of generations deep- ranching/farming communities. The church serves the central communities of Wood Mountain and Killdeer with attendees also driving in from Rockglen, Limerick, Fir Mountain and Glentworth. Essential services and recreation options in these towns include: a Kindergarten to Grade 12 schools, sports facilities, art galleries, restaurants, museums, hotels and gas/grocery stores. The area is rich in natural beauty, wildlife and history ready to be discovered in the regional, provincial and national parks which are just a short drive away.

The congregation works to integrate the light of Jesus into many of the community activities and events. The area is vast and so is the opportunity to evangelize in the community, a space to grow your faith and ours.

Send your résumé along with cover letter, three references and links to recorded sermons (if you have examples to share) to: Clint Mitchell at [c.d.mitchell@sasktel.net](mailto:c.d.mitchell@sasktel.net) and cc District Superintendent, Bernie Van De Walle, at [ds@canadianmidwest.ca](mailto:ds@canadianmidwest.ca)

If you have further questions, please call Clint Mitchell at 306-640-7778.

Deadline for Application: June 30, 2025
