

Executive Director of Dorion Bible Camp

Are you a mission-minded leader with a heart for the Gospel and a passion for discipling young people? Do you have an entrepreneurial spirit? Do you enjoy connecting with church & community?

Dorion Bible Camp is seeking a Camp Director to lead our year-round camp ministry in the Thunder Bay District of Northern Ontario. Dorion Bible Camp was established in 1946 to carry out the purpose of One Hope Canada *to present the Gospel particularly to those with the least opportunity to hear of Christ, especially to children and youth, and we disciple believers for living and serving through His church.*

Dorion Bible Camp is located on Black Bay, Lake Superior, 80 km north east of Thunder Bay. As well as being on Lake Superior we enjoy a meandering river running through our property. We have a beautiful piece of property. But more important, we have a huge need for the gospel to be presented to children and youth here in the Thunder Bay district. The needs are great. The gospel is greater.

Dorion Bible Camp, being without a director for some time, is in the position of finding someone with a start-up entrepreneurial spirit with a desire and ability to build fresh on a solid foundation. The local Christian community has been waiting with anticipation for your arrival. Are you able to build new relationships and reestablish old ones? Are you a visionary for what could be combined with a passion for children to come know Jesus, and young adults to grow in their faith? Then this might be what God is calling you to.

The role will begin with an emphasis on relationship building with churches, believers and the local communities that surround Dorion. This role provides oversight of all camp operations, including programming, staff and volunteer leadership, and overall ministry direction. It's a unique opportunity to combine vision, pastoral care, and hands-on leadership in service of the Gospel through camping ministry.

We're looking for someone with deep integrity, proven experience in Christian camping or ministry leadership, and a shepherd's heart for both people and programs. You'll guide and encourage staff and volunteers, collaborate with our board and help shape a camp environment where children, youth, and families encounter Jesus.

Key strengths we're looking for:

- A Self starter with a fresh canvas to create a new camp ministry on a good foundation
- Strong leadership and team development skills
- Experience in Christian camping, ministry, or nonprofit leadership
- Program planning and organizational oversight
- A Christ-centered approach to discipleship and service

For more information, visit our One Hope Canada website as well our Camp Dorion website.

Please submit a cover letter and CV to Stephen Johnson (Ontario Field Director) at sjohnson@onehopecanada.ca
