

## **Room for Rent – Kleeefeld, MB**

I am a 21-year-old female looking for 1 or 2 female roommate(s) to rent a room in my home, just 12 km from Prov!

Bedroom (10x10 feet) with full access to upstairs level, which has the living room, kitchen, dining room, and a half bath.

A full bathroom accompanies 3 bedrooms downstairs. While both bathrooms are shared, the full bathroom downstairs would be “your space” to get ready in and keep your things. However, since it’s the only bathroom with a shower, I would be using it just to shower as well.

Rent is \$700/month, or if 2 roommates, \$500/month utilities included. I do have a medium sized Border Collie, so somebody that likes dogs/is okay with them would be a great fit.
