

At Silver Lining Care, we are family. Bringing hope, life and joy to the Cottages in Steinbach, redefining 24 hour care through a shared living home.

**Two Immediate openings:**

- 1) Caregiver .7 rotation with opportunity for growth in your career with on the job training lead by our Cottages Guide - no experience necessary
- 2) HCA Caregiver for a .9 rotation

**What does a shift look like?**

- Assist in activities of daily living including personal care in a person directed home where individuals get up when they want and go to bed when they want
- Light housekeeping & helping with meals and baking
- Companionship: Finding out what a good day looks like for those we care for and carrying that out (games, music, outdoors etc)
- Administer medications, documentation and reporting

**What do you need to work with us?**

- Previous experience is considered an asset but not required – on the job training available
- Compassionate heart to serve others as a team player
- Physical ability to assist with all aspects of client care and transfers
- First Aid and CPR or signed up for a course, clear Criminal Record check and Clear Adult Abuse Registry

If you are looking for an opportunity to be part of a team serving others, building compassionate relationships with clients and families, we would love to hear from you! Silver Lining Care offers competitive wages, group RSP plan and an excellent group benefits plan including health, dental, glasses, and massages! Apply online at [www.silverliningcare.ca](http://www.silverliningcare.ca) and click on Join our Team.

We thank all candidates for their interest, however, only those under further consideration will be contacted.
